Tuition and preparation for exams - on site or online

We offer students from public or private schools support with their individual challenges. Goals are defined together with the Head of Academics and the teacher based on the school curriculum you are following. We then develop tailor-made learning and tuition plans.

Private lesson	CHF 79 / 60 minutes
Semi-private lesson (price per person)	CHF 47 / 60 minutes

Private lessons in elementary and secondary school curriculum

Students can register for additional private lessons on an individual basis, should they not be able to attend the class. We are offering an individual program for your child, which is tailored in order to complete basic knowledge and to promote particular strengths and talents.

Private lesson	CHF 140 / 60 minutes
Semi-private lesson (price per person)	CHF 94 / 60 minutes

Language lessons

We prepare children and teenagers for internationally recognised language certificates in different foreign languages. As a preparation for a year abroad, admission to schools or universities, as an advantage in your application or for private purpose.

Private	CHF 116 / 60 minutes
Semi-private (price per person)	CHF 65 / 60 minutes

School holiday courses

During school holidays we work on individual key areas to prepare exams or language certificates in a group of three to six pupils.

School holiday courses (MON - FRI, 09.00 to 12.00 a.m.)	CHF 600
